Please mark your response below and then cut and paste statement on your company letterhead. Please return on official company letterhead in PDF format.

- For non-commercial shipments (personal shipments) UPS will use your email reply to certify to US Customs the selected response.

Please check the appropriate response below in the comments field

For non-industrial diamonds with a weight of 0.5 carat or greater

"I certify that the non-industrial diamonds in this shipment were not mined, extracted, produced or manufactured wholly or in part in the Russian Federation, notwithstanding whether such diamonds have been substantially transformed into other products outside of the Russian Federation."

OR

"I certify that the non-industrial diamonds in this shipment qualify for General License 104, because the diamonds were physically located outside of the Russian Federation before March 1, 2024, and were not exported or re-exported from the Russian Federation since September 1, 2024"

For diamond jewelry and unsorted diamonds

"I certify that the diamond jewelry and unsorted diamonds in this shipment are not of Russian Federation origin or were not exported from the Russian Federation."

OR

"I certify that the diamond jewelry in this shipment qualifies for General License 103 and that it was physically located outside of the Russian Federation prior to March 1, 2024, and not exported or reexported from the Russian Federation on or after March 1, 2024."

İçerisinde altın ve kıymetli maden yoksa bu kutuyu seçiniz.

For jewelry that does not contain any diamonds

"I certify that the jewelry in this shipment does not contain any diamonds"

For diamonds or jewelry that contain Russian Federation diamonds:

"I certify that the non-industrial diamonds, diamond jewelry, or unsorted diamonds in this shipment are of Russian Federation origin or were exported from the Russian Federation."
