

APHIS Core Admissibility Guidance

Shipment Information:

Shipment Number: _____

Importer Company Name: _____

This shipment contains commodities that may require **APHIS PGA** (Partner Government Agency) review and submission of data and documentation (licenses, permits, certificates, and other documents) to CBP for import admissibility.

It is the Importer's responsibility to verify if the message data and any import documents are required.

Admissibility guidance and support can be found at the following web pages:

- [USDA APHIS Contact](#)
- [USDA APHIS Import and Export Guidelines](#)
- [USDA APHIS Animal / Animal Product Import Guidelines](#)

Your commodity may require APHIS PGA review.

Please review the information below, select the appropriate response and provide substantiation where required.

- A. The commodity is **not** regulated by APHIS. The PGA message data will not be submitted. Disclaim Reason A will be used.

Please provide substantiation to support this claim (*i.e., the product does not contain any animal or plant products*):

- B. The commodity is regulated by APHIS, but the agency has determined the product does not require APHIS PGA data to be submitted. Disclaim Reason B will be used.

OR

The product is regulated but a license, permit, certificate, or other document is not required as a condition of entry. The APHIS PGA data will not be submitted. Disclaim Reason B will be used.

Please provide substantiation to support this claim (*i.e., per USDA guidance 1100, the item does not require a permit for import. See attached documentation*):

- C. The commodity is regulated by APHIS and/or requires a license, permit, certificate, or other document for import into the US. Disclaim will not be performed, and the PGA Message data will be submitted.
